LIBRARIAN'S REPORT

To the Trustees of the Kimball Public Library:

The library has been opened each Monday from 12 to 5 and Friday from 12 to 1 o'clock in the afternoon during the school year, each Saturday from 2 to 5 in the afternoon from 5 to 7 in the evening.

The number of books given out during the year has been 1,957 and the largest number in one day 53.

It is the desire of the Trustees when purchasing new books, to co-operate with the schools and meet the needs of the required reading lists of the State Department of Education.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Atkinson, N. H., qualified to vote in district affairs:

You are hereby notified to meet at the Grange Hall in said district on the 12th day of March 1937, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To see if the district will vote to authorize the School Board and Treasurer to borrow the sum of \$8,000 for the purpose of remodeling the Center School to make it a two-room modern school and to issue notes or bonds of the School District therefor. The said notes or bonds shall be dated the 15th day of June, 1937, and shall be payable \$1,000.00 thereof on the 15th day of December in each of the years 1937 to 1944 inclusive and shall bear interest at a probable rate of three percent per annum and \$1,000.00 of this year's tax levy shall be applied as the first payment on said notes or bonds.

10. To see if the district will vote to raise and appropriate the sum of \$225 for the interest on the notes or bonds.

11. To see if the district will vote to raise and appropriate the sum of \$400 for the rental of an enlarged room in the Academy.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Atkinson:

I herewith present my annual report as Superintendent of your schools.

The statistical report is for the school year ending June 30, 1936. Following this report will be found reports by the Music Supervisor and the School Nurse.

There have been two changes in our teaching force this last year. Mr. Robert Hill resigned his position as teacher at the Grammar School in order to continue his studies at Keene Normal School. Mrs. Stella M. Olsen, a former teacher in this school, was appointed to fill this vacancy. Miss Hazel M. Gile gave up her position at the Depot School during the summer in order to accept a position in Plaistow. Miss Doris Hevey was appointed to fill the vacancy thus created.

The enrollment in the elementary schools for the year covered by this report was 76, which was 6 more than the previous year. The total enrollment at the Academy was 23. The school attendance averaged 95.67% of the membership. The average for the state was 94.75%.

Eleven boys and girls were graduated from the eighth grade last June. Of these, nine entered high school. The following list shows the September enrollment of Atkinson pupils in high schools:

Atkinson Academy	21 pupils
Woodbury High School	2 pupils
	—
Total Atkinson pupils enrolled in high schools	23 pupils

A school citizenship mark has been added to our new report cards this year. This mark is based upon consideration of the following character traits: co-operation, self-control, perseverance, courage, promptness, orderliness, and health habits. We have attempted to teach each child the importance and necessity of these character traits, which will make of him a good citizen.

Worthy use of leisure time is being stressed as much as possible in our classrooms by planning and providing of suitable library reading. Our aim is to encourage children to read for enjoyment and thus to establish the reading habit. Clubs can be used to good advantage in school. The club work so well started last year is being continued.

Standardized tests given during the year show that good progress has been made in the fundamentals.

For a number of years the School Board of Atkinson has rented a room in the Academy building which has been used by the Primary Grades. It will not be possible to use this room after the present school year, and it becomes necessary to make some arrangement for the accommodation of these children if we are to receive state aid on the cost of this school.

If the School District could decide to add a second room to the Grammar building and rent an enlarged room at the Academy building, improved school facilities would be provided.

For a number of years, Atkinson has sufficiently recognized the value of music instruction to employ a special teacher of this subject to make the instructional work of the schools more effective. With children these days hearing so much music that appeals solely to the most elemental emotions, which need to be controlled rather than stimulated, it is of the highest importance that children be taught to appreciate and demand the kind of music that elevates. "Music Appreciation" records for use on a portable orthophonic phonograph have been used. In

places where schools are equipped with radios, it has been possible for them to make excellent use of the Damrosch Music Appreciation Broadcasts.

The function of education is the development of character. Education is not a course of training for life at some future time. It is good living now. Education is not confined to the hours in the school-room, nor to a stated age. It is a continuous process throughout life. Therefore, it is necessary for teachers, school officials, pupils, parents, and citizens, to have a clear idea of education, a theory that considers the maximum development of the individual as of the greatest importance. Such development involves adequate teacher background and preparation, right attitude of girls and boys, co-operation of parents, and an intelligent and active interest in education of all citizens.

In conclusion I wish to express my appreciation of the fine spirit of co-operation on the part of the School Board, teachers, local organizations, and the local community.

Respectfully submitted,

WILLIAM J. NELSON,

Superintendent of Schools.

REPORT OF SUPERVISOR OF MUSIC

To the Superintendent of Schools:

I herewith present my annual report as Supervisor of Music in the Atkinson Schools.

Music appreciation is the ultimate aim of our Music Course. The boys and girls are taught to read music, sing tune-fully and listen intelligently to music, in order that they may appreciate the finest works of the great masters.

The well known operetta, "Pinafore" by Gilbert and Sullivan was presented by the pupils of the Academy on January thirtieth, before an audience that was generously appreciative of the young people's efforts.

The end of the year finds me, as always, grateful to the teachers, on whose assistance I rely to such a great extent. For your co-operation and that of the school board, I wish to express my appreciation and thanks.

Respectfully submitted,

EVA W. THOMPSON.
